Federal socialist republic

The Jacobin destruction of the Sistine Chapel causes the papacy to be moved to Vienna, and become incorporated directly into the House of Habsburg and Austrian politics

And by some series of not yet spelled out so consider it alt-hist wizardry, the Archduchy of Austria becomes a semi-democratic federation in order to keep the nation stable, while the monarchy still retains significant executive authority

socialist republic

Once a hereditary dictatorship that emerged from a civil war between Communists and Republicans, then eventually replaced with its old kingdom.

**The Daily Imperial, June 28th, 2022:** East Alemann Socialist Republic's flag is temporarily reverted to the Pre-1989 flag for a contest. The Republic of Teutonia is considering reuniting with Konigsberg Free State. Turkey and the Kingdom of Greece meet in Athens to discuss Cyprus' Sovereignty.

## Democracy

The mentality of the typical Urukkian minister: Claim to use the only best characteristics from all of the different ideologies but in reality lean more towards totalitarianist ideas.
