What sig

Irish Catholic settler state founded in the 1860s by impoverished Irish nobility, and later joined by Fenians, disgruntled Irish-Americans, criminals originally bound for Australia, and Scottish refugees from the Highland Clearances. Society is strictly bound by Victorian morality and dominated by the Catholic Church and to a lesser extent the Anglican Church of Ireland. In the modern day, the nation is still unsure if it is part of the Anglosphere or the Gaeltacht.

Clogheen has a small but powerful fantasy element.

NS stats are canon, except for population, GDP, defense forces, and prohibition

My GDP is canon but my population and income-related stuff is not canon, so I can have an extremely high average income in my overview factbook 🤪.

☐ **THE SACRED UNION OF AGARTHA** ☐ "One cannot serve God and be enslaved to mammon!" - Matthew 6:24

Escaping from the idolatry and soul-crushing societies of the so-called 'Die Freie Welt'. Those who still carry on the lord's work found refuge in the subterranean ancient realm of Agartha. Despite the offer- No, temptations by so-called demi-gods about helping him liberate the surface. Cardinal Ferro only intends to hold his ground and turn Agartha into a bastion of Christ.

The former, although that isn't to say they're *all* feathered, they're just paleontologically-accurate. No "bird-sauropods" nor fluffy stegosaurids.

While I kinda play fast and loose with the rules in regards to Religion I do wholeheartedly believe in this passage, your allegiance should be to God and not to the corruption of currency.
