The island of the Galapagos and the main power of South America controlling the West of South America. Militaristic and authoritarian with a troubled past and an uncertain future with stability at an all time low due to a lost war and unpopular occupiers.

The Emus crown a puppet dictator, King Julian, to be a l-EMU-ur King so that the people of Madagascar won't revolt under Emu occupation, however it is like Manchukuo and Japan and Madagascar is still a puppet
