Foo Fighters - "These Days"

A great tune with an unfortunately average name.

This is a puppet of the nation, Alevuss. I have the same political stance on

everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

Foo Fighters - A Matter of Time. Decent FF tune.

Listening to the whole Wasting Light album, btw. ☐
