He's such a lyrical, spiritual, miracle individual. Happy to see another Filthy Frankophile on NS, so here's one of my go-to happy songs.

U2 - Zooropa  
From *Zooropa* (1993)

*And I have no religion  
And I don't know what's what  
And I don't know the limit  
The limit of what we've got*

*Don't worry baby, it'll be alright  
You got the right shoes  
To get you through the night  
It's cold outside, but brightly lit  
Skip the subway let's go to the overground  
Get your head out of the mud baby  
Put flowers in the mud baby  
Overground*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

U2 - Stuck in a Moment You Can't Get Out Of  
From *All That You Can't Leave Behind* (2000)

*I was unconscious, half asleep  
The water is warm 'til you discover how deep  
I wasn't jumping, for me it was a fall  
It's a long way down to nothing at all*

*You've got to get yourself together  
You've got stuck in a moment  
And you can't get out of it*

*Don't say that later will be better  
Now you're stuck in a moment  
And you can't get out of it*

U2 - Seconds  
From *War* (1983)

*Lightning flashes across the sky  
East to west, do or die  
Like a thief in the night  
See the world by candlelight*

*Fall, rise and fall, rise and*

*In an apartment on Times Square  
You can assemble them anywhere  
Held to ransom, Hell to pay  
A revolution everyday*

*USSR, DDR, London, New York, Peking  
It's the puppets, it's the puppets  
Who pull the strings, yeah*

U2 - Van Diemen's Land  
From *Rattle and Hum* (1988)

*It's a bitter pill I swallow here  
To be rent from one so dear  
We fought for justice and not for gain  
But the magistrate sent me away*

*Now kings will rule and the poor will toil  
And tear their hands as they tear the soil  
But a day will come in this dawning age  
When an honest man sees an honest wage*

U2 - White as Snow  
From *No Line on the Horizon* (2009)

*Where I came from there were no hills at all  
The land was flat, the highways straight and wide  
My brother and I would drive for hours  
Like years instead of days  
Our faces as pale as the dirty snow*

*Once I knew there was a love divine  
Then came a time I thought it knew me not  
Who can forgive forgiveness where forgiveness is not?  
Only the lamb as white as snow*

*And the water, it was icy  
As it washed over me  
And the moon shone above me*

Not bad, that. It reminds me a bit of Binarpilot.

Back to the relatively boring stuff.

Ramones - I Wanna Be Sedated  
From *Road to Ruin* (1978)

*Twenty twenty twenty four hours to go  
I wanna be sedated  
Nothing to do, no where to go o  
I wanna be sedated*

*Just get me to the airport, put me on a plane  
Hurry hurry hurry, before I go insane*

Kraftwerk - The Model

From *The Man-Machine* (1978)

*She's a model and she's looking good  
I'd like to take her home that's understood  
She plays hard to get, she smiles from time to time  
It only takes a camera to change her mind*

*She's going out tonight but drinking just champagne  
And she has been checking nearly all the men  
She's playing her game and you can hear them say  
She is looking good, for beauty we will pay*

And I guess that I could get crazy now, baby  
'Cause we all got in tune  
When the dressing room got hazy now, baby*

*I know how you want it, child  
Hot, sweet and tight  
The girls can't stand it

Kick out the jams, I like to kick 'em out*
