Not particularly well known across the whole of NS, but is definitely recognisable on F7.

Too authoritarian? Yeah I get that a lot.

Judging by the facts that I've never seen you before, and the recent founding date, *and* the low post count, I'm gonna say 3/10

this guy's got a pinch of recognition

I'd say... 8/10. Likely very well known in both regions and the forums, though probably not recognized by anyone outside of the boards they participate in. However, I do imagine they are quite well known in F7 as they've a high post count in it, and likely known in TET.

Something... just makes me think you're well known in P2TM and II as well, not sure why. I don't imagine you're well known in smaller boards, though.

Overall, well known in multiple areas.
