I have no expectations for this album whatsoever.

Especially with this annoying song.

Actually not as annoying as it was to me before, but that's not saying much. The chorus is still awful.

Mastodon - Steambreather

Okay...this song was good until the chorus.

What is happening in the end of this song.

Mastodon - Andromeda

I remember this was the good one of the 3 singles. Which seemed to be good, bland, and bad.
