Body Count's pretty awesome. Ice-T's vocals on the song he does with Slayer (Disorder) are some of the best thrash metal vocals I've heard too.

"Concentration of power in a political machine is bad; and an Established Church is only a political machine; it was invented for that; it is nursed, cradled,

preserved for that; it is an enemy to human liberty, and does no good which it could not better do in a split-up and scattered condition." - Mark Twain
