Going by the banner alone, I'd want to live there.

**Sorry for the long wait, but my new nation is still a slow work in progress. Completely new map than this one has.**

Things to keep in mind:

- This isn't a single nation, but a whole planet full of many nations. I will usually reference a certain nation when posting.
- The flag being used is just to represent that it is a planet, it is not used at all in the 'canon', as there is no one flag for the planet. Instead I chose to just use an image of the planet.
- I've referenced the prequels 124 times on F7.
