Very well known! She used to be a much more frequent poster and was formerly part of a region that was raided, **England**, I believe it was also the first injunct proposal passed after F/S? I personally wasn't there for the England raid, however the amount of stuff I heard from it was gold, I especially liked Rhan's message directed to the current England delegate a couple months ago, absolutely gold!

Will I ever actually do anything outside F7? Probably not.
Will I ever write a factbook? Sooner or later™. I have a whole headcanon, just too lazy to write it out... :P

Unknown, a stranger to most, but I've seen them a few times. Which is surprising, considering their time on the website.

Khoikhoia • The Khoikhois Republic • NS Stats were jailed for war crimes they committed from 1974 to 1991

Liberty, Equality, Union • Liberdade, Igualdade, União
"Land of the Adventurous" • Crime-filled alcohol-free Portuguese-English South African democracy weedfest, not too bad • Minor retcon in progress • Memes coming soon!

You'd expect such a recent nation to be pretty unknown, but I see them near enough daily so they're probably quite widely recognised.
