I'm not quite sure what I'm looking at, but I'd guess a liberal plutocracy.

Stratocracy, or something else militaristic and honour-oriented

SELSKA IS THE ROOT TRAIN, BROTHER!

When the student movement spills across the *Katastrophestaat*, one underground shelter erupts into a refugee rebellion. Co-opted by an eccentric Eco-National Bolshevik Afrocentrist and his posse, Selska is the last holdout of a people just hoping to survive - but can this revolution last a changing overground?

If I know my symbolism, then AN probably doesn't have a government.

Dictator-backed dedication to absolute civil freedoms, ultrabureaucratic pseudo-socialism and heavily-armed neutrality. Fueled by PMT*/FanT nanopunk schizotech, eldritch red tape and snazzy neo-cold war aesthetics on a broken continent.

Factbooks are currently in the middle of a Big™ Rewrite™, almost everything's out of date and ugly. Don't read them.
