Decently well-known in Forum 7, at least.

ROCKOMAX INTERNATIONAL

Alternate version of Rockomax Conglomerate from Kerbal Space Program. How is it different from the game version? I dunno, you decide.
Not gonna get factbooks for a long, long time.

Quite well known. I see them all the time.

Too often, actually....

Hey, I exist (*occasionally*). I usually stick to the game (trading cards, answering issues, etc) but in the rare* occasion I feel like making a post, I'll be here. I also have tendencies to howl at the moon and can sniff out 'fendas from up to 30 miles away.

Any complaints? Discord: humanish3411 - Telegram for other socials
