Monkey 3225 (above was 3226, how could that keep happening with such large time gaps?) attempted to rocket jump after seeing the TF2 Soldier do the same. Unfortunately, reality ensued.

Monkey 3214 fell off the top of Burj Khalifa

The country known for Dubai, Emirates, having what some may call the most advanced F-16s in the world and sadly enough, some questionable immigration laws,

And a lot of people might not know this but there are elections in the UAE.
