Either USA or Mexico.

For some reason the flag makes me think the person behind it has either a german or eastern European (possibly Polish or Czech) ancestral background.

My gut says Canada

Everyone always uses the black market factbook...

Before ya'll talk about the horses:

<https://www.nationstates.net/page=dispatch/id=1215662>

Important Cultural ethics: [https://www.nationstates.net/nation=the ...
id=1199646](https://www.nationstates.net/nation=the...id=1199646)

A theme that kinda fits the Empire's aesthetic:

<https://www.youtube.com/watch?v=lmPkpSXZZmM>

IC Year: 3A 2

Tech: FTT

"LoL yOuR nS iSn'T pOsSiBIE!" Really? I had no idea!

I'm not the greatest at getting down all relevant information in a factbook so if
anything needs clarifying or explaining just ask me in TG's.
