THE PEOPLE ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.
Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly.

In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

TETRADIMENSIONAL OVERWORLD isn't my IC name. This nation is pure unadulterated nostalgia, deal with it. Did you know that I wasted 400 million plus seconds of my life and you wasted more? Well, if I could go back to any age, I'd go back to the time when I was 11. Great times indeed. I'm an anti-communist, but I do love me some Soviet music.
