Rather un-noteworthy, not sure about others but I don't see them around these parts.

Ninjad, yeah they're known in F7 and NSG, especially for being creative with the Henry Stickmin (series) stuff and have been knowing of the OSC in the past iirc.

Well known, they have a lot of posts and they are a frequent F-7 user. They might be into rp forums but I wouldn't know as I never go there.

I'm pretty sure I've seen them before on the forums. They have well over 3000 forum posts, so there's no way that they aren't well known.

Not the first person you'd think of when someone asks you to name a forum user, but you can easily recognize them, so pretty well known.

Really well known

= Blackhawk Realm / Schwarzhabichtreich =

A nation in a different Earth with slightly different countries, the Blackhawk Realm attempts to cement itself as a superpower under novudeism. It has land mainly in Europe, but also Africa, South America, and Asia. The Realm is famed and founded on their brutality against those who they see as inferior, like most fascists. Unlike most fascists, however, the state is founded on a new and arbitrary race, state, and/or culture, with worse policies than normal fascism (not as bad as Nazism). This creates a new ideology: novudeism (from Latin novus deus, new day). It includes Aquilanians, Velanidians, Aetherlanders, Lavanese, northeastern Spadacians, mainland North Seians, and northwest Lavenderians. This nation doesn't represent my views.

Haven't seen them, and they're a young nation. So I'm gonna say  
that they're not very known.
