Home of the legendary Mega Trollge.

"I will peg you to death" - Mega Trollge

Ancient Troll-tec was discovered in March of 2021 but colonized in November. The act of trolling - Mega Trollge - has been canonized in the city for thousands of years, as a sufficient amount of trolling has been achieved throughout history. Recently, through accounts of trolling have crashed during the event, and **Ancient Trollge** was which is on the 22nd of September every year.

Monker 1066 was impacted by order 66.

Home of the legendary Mega Trollge.

"I will peg you to death" - Mega Trollge

Mega Trollge was a troll who lived in March of 2021 but returned to the nation. The god of trolling, Mega Trollge, has laid dormant in the city for thousands of years. A legend of trolling has been passed down through the ages. Recently, though, amounts of trolling have crashed, birthing the event "The Ancient Trollge" which is on the 23rd of September every year.

Monkey 1057 was the leading investigator in the mysterious, unexplained disappearances of several of his kind. Some of them disappeared, even without documented deaths. He came so close to the truth... such a shame that he chose "National Get Into A Fatal Car Accident Day" to deliver his findings to the precinct.
