Restitution at 5x the cost to repair the damage you caused.

Malicious prosecution.

Permanent loss of license to practice law,
Put on the registered litigious predator list,
5 years military conscription as an E-0 on permanent latrine cleaning
duty,
then serve the maximum sentence(s) that the intended victim(s)
would have received,
plus repay court costs and any assessed damages,

Air dropping a surprise custard filled birthday cake on your leaders
head when he steps outside?

A minor assault charge and probably only a month at most in city jail
or a hefty fine.

Copyright infringement.

There need to be more choices than "I'm a Republican out to utterly ruin the
working class" and "I'm a Democrat, also out to ruin the working class, but in
rainbow font." - me
The Lincoln War Department used to prosecute war profiteers. Now they make
public policy through their elected lackeys in Congress and the White House.

That's murder, therefore by law, the death penalty would be fit for this.

Depends on the structure, and the age. Usually a hefty fine, sometimes volunteer service, but in most cases, hard labor is usually involved.
