Very superstitious, writings on the wall,
Very superstitious, ladders bout' to fall,
Thirteen month old baby, broke the lookin' glass,
Seven years of bad luck, the good things in your past.
When you believe in things that you don't understand,
Then you suffer
Superstition ain't the way.

Candice Night ☐

My first time listening to Sabaton was live, they were touring with
Nightwish. It was a mix between a metal show and stand-up comedy.
They were a lot more fun to watch than Nightwish. And Alestorm are
over the top in the greatest possible way. Keyboard solo, then guitar
solo, and then another keyboard solo. And pirates! speaking of
Alestorm...

Art Bakely and His Jazz Messengers-Moanin' (1958)
Genre: Jazz (duh)

Of all the Jazz tracks I've listened to in Jazz Appreciation, this is easily my favorite. It just swings in all the right directions, and I really do feel like dancing to it. ☐

Catholic, pro-life, and proud of it. I prefer my debates on religion, politics, and sports with some coffee and a little Aquinas and G.K. CHESTERTON here and there. :3

ART BLAKEY! ☐

Love him and the Jazz Messengers. Moanin' is a great song.

Charles Mingus's rendition of that song is also pretty spectacular (though quite a bit different from the original).
