Looks kinda like the Pope decided to run a republic. Probably has a strong devotion to charity and helping the needy, but slightly backwards social ideas.

2/10

We don't use NS stats.

Colors are somewhat dark, but overall it has a fairly generic feel. Doesn't really scream "evil" to me.

If you haven't read our factbook; there reason we're as reactionary as we are,
the reason we hate imperialism, a good number of other races, and even why we exist as a militant church, is because our homeland
was colonized by xenophobic racists, who later went on to kill a highly respected member of our community. We don't even want to
invade anyone. We just want our continent back.
