The ice cream machine is actually a Deception, and it refuses to be serviced by anyone other than a licensed McDonald's worker, so it immediately annihilates **HE** with a Retgon Laser. Now back to the McDonald's worker.

NINJA'd.

The man takes a stroll through a neighborhood enjoying nature.

We shift our undivided attention back to Adrian, as we haven't even heard anything from him yet, before this random guy introjects and draws attention *away* from him.

Anyway, how Adrian became a Man\* is entirely unclear, despite his background being relatively normal and free of any wrongdoings.
