This nation is essentially my own modified version of the Goa'uld from Stargate. This nation currently represents the Goa'uld at their height under the reign of Ra. Don't know what the Goa'uld are? Just look them up. Sorry I don't have a complete factbook just yet.

There is no divine feminine.

My nations policies are not economic, but a deliberate attempt to kill of the spirits and the sacred forests of the Pagan rebels.

My nation does NOT represent my RL views.
