Sweden

Current year: 170 B.C.

Once upon a time, in the modern day island of Cyprus and a few islands on the Aegean sea, there lived a kingdom with its' own unique ways of life in military, history, culture, race and language... which was temporarily done in several times by Alexander the Great, the Ptolemaic immigrants and also the following Spartan, Athenian and Celtic migrants. But we still retain all that despite all the Hellenic influence, as well a beautiful and strong queen who rules in a benevolent manner.
