Help 911, I am in a room alone with the CEO of Dunkin' Donuts !

"We won't be taxing, bureaucratic hypocrites forever!"

We're currently fighting a just and not at all drawn-out war in the Senora Wasteland against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

Death 4: jojo reference

"Luna bean is a pacifistic nation consisting primarily of dogs."

Colossal modern island nation in the South Pacific. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

NS stats are canon; factbook started. Some things are my RL views, some things are not. If curious, feel free to telegram.

Yes, I used to be a very immature person. That was years ago. I'm trying to be better now.

MN Represents most of my beliefs minus the absence of a police force and a military.

If you are an "True American" or a Patriot, then you shouldn't be flying a Confederate flag, endorsing attacks on civil rights, or supporting Putinist Russia.
