I love the song since it was my cousin's favorite, and it reminds me of him. They also played it at his funeral in memory of him.

Lost my aunt to cancer two weeks ago. It was pretty hard on me since I was pretty close to her. Worse part was it was my deceased cousin's mother. I dedicated Avenged Sevenfold's *Seize the Day* to her myself.

Eek...About a month and 1/2 ago, my aunt, and 4-year old cousin died in a car accident (Single car accident, the whole situation is still really weird), and another cousin was in critical condition but she's recovered great. Was out of the hospital after like 2 weeks. Kicking people out of her hospital room the minute she woke up ☐. She's a strong 8-year old, and I'm sure her other best friend cousin is really helping her, since she's staying with them right now.

I wasn't SUPER close to them, but they're still family...And knowing that my brother WAS really close to her, and something like that happens so suddenly, it still sucks.

Nas & Damian Marley - Africa Must Wake Up

Changed rating for this album from 9 to 8/10. Still good though.
