*My NS stats are **not** indicative of my OOC views. NS stats are meant to be rather silly. My OOC political and ideological inspirations are as such:*

The Republic, by Plato | Leviathan, by Thomas Hobbes | The Confucian civil service system of imperial China | The "Golden Liberty" elective monarchy system of the Polish-Lithuanian Commonwealth | The corporatist/technocratic philosophy of Henri de Saint-Simon | The communitarian ideological framework of the Singaporean People's Action Party | "New Deal"-style societal regimentation | Kantian/Mohist/Stoic philosophy

The Onigiri Enclave is a highly progressive scientific largely secularist nation welcoming to all (as so long as you aren't a bee or a jaywalker).

Anime waifu worship

Authoritarian Italian based nations are cliché, Colonial Imperialist nations are cliché, Welfare Monarchies are cliché, but how about all three in one! Still Cliché? Well that's what this nation is.

From now on please refer to this nation as Aostania because I have changed the lore to a name that is more fitting and less convoluted
