Despite the age, I've never actually seen em before. Maybe somewhat well-known by older players?

The Kingdom of Frisemark

"From this day forward, I shall take up all the empire in my embrace. For I am father of the empire, as I am father to all creation. I will suffer no tired institution nor petty bureaucrat to stand between me and my children. I am the perfect loving god, and all will tremble to know me."

Denmark and the Netherlands had a kid, and it loves the color blue.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.
