Stalinism is hyper militaristic

Trotsky and other post Marxists are inseparable from socialist imperialism.

You forget that the two biggest nations that fell to Communism (Russia and China) used to be Empires. It's hard to get rid of an Imperial Mindset.

The USSR viewed itself as the successors of the Tsardom and acted accordingly in Eastern Europe and Central Asia. The CCP views itself as the new Chinese Empire and acts as such in the Chinese sea and Tibet.

Not all Communists are Western Pacifists.
