An End Once And For All - Mass Effect ending theme. Such a beautiful piece to conclude my trilogy playthrough.

Next up: Together We Will Live Forever by Clint Mansell. Another beautiful song.

Days like dominoes, all in a line

Emerge transformed in a million years, from days like these

Ja Rule - Thug Lovin' ft. Bobby Brown

...I think The Boondocks had a parody song of this, because the name of it was "Thuggin' Love." ☐

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell

Mobb Deep - Shook Ones

After listening to Nicki Minaj, I need this *good* hip hop. ☐

The Gentle Art Of Chokin' - *Sperrzone*

“ CVT Temp wrote:

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

There's A War Going On For Your Mind by The Flobots.

Pay no attention to the men behind the barbed curtain,
Nor the craters beneath the draped flags.

Those hoods are there for your protection,
And meteors these days are the size of corpses.

Days like dominoes, all in a line

Emerge transformed in a million years, from days like these
