The flag gives off a Nordic model parliamentary republic vibe.  
The name screams Finnic/Nordic fascist state.

Going based on the bear, star, and the stripe on the lower third... 25 years of effectively one-party rule by an authright neoliberal faction, including several figures of the parliamentary legislature that are known by literally everyone to have advanced Alzheimer's?

The Region of Xunx -- The Xitasi Rebellion

These Rebellion guys sure seem like good people, I'm sure none of them are going to use questionable tactics. | Probably should make clear I don't like empires, I just wanted a new spin on an old classic. | Medieval fantasy is totally not played out or anything.

Witty unattributed quote I'm using to pretend I'm more intelligent than I really am.

Stalinist Oligarchy.

Pray for Ukraine and Moldova.  
Stalinist propaganda and other such ideologies should be banned.  
Remember the Massacres at Huế, Thanh Mỹ, Đức Dục, and the Shelling of Highway 1.
