The Coaliton is an empire that has territories in multiple universes. It's led by the Master His power is immense and His intention are uncomprehensible. Is he trully humanity's messiah or just a cruel deity that sees us as his playthings.

Born out of unrest, North American destabilization, and civil war within the United States, the Free Republican Union is a rebirth of the American ideal and frame of mind through Republican principles and values. I don't use NS stats.
