Lorde likes the word "Queen".

Lorde-Team

Even though this song doesn't specifically have the word "Queen", the video for it is pretty much her being the Queen of this outcast group of teenagers, that is pretty much about it doesn't matter if you win or lose, as long as you try.

Like the line "We're not very pretty but we sure know how to run things"

[The Pains Of Being Pure At Heart - A Teenager In Love](#)

Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.
