Heh...I'm listening to the "atmosphere" (background music) of Lord Of Ultima online. *sigh* I can't help it, all the fake birdsong as the music rises and falls amuses me...and confuses my cats. ☐

"Ilyena" - The Mars Volta

Are these "human rights" in the room with us right now?

□□ Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties □□

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

I just want you to please note that any knowledge I show throughout NS is based off of a 3rd grade education. All this means is that I probably know absolutely nothing about any subject I post about.

The Dubliners-All for me Grog

“

And it's all for me grog me jolly, jolly grog
All for my beer and tobacco
Well, I spent all me tin with the ladies drinkin' gin
Far across the Western Ocean I must wander

Where is me wife, me noggin', noggin' wife
She's all sold for beer and tobacco
You see her front it was worn out and her tail I kicked about
And I'm sure she's lookin' out for better weather
