Apocalyptica-I Don't Care Ft. Adam Gontier

Lyrics in this song (And song name) seem really appropriate for Three Days Grace, so I have a feeling Adam Gontier wrote the lyrics for this song.

Coheed and Cambria-Welcome Home

I wish the singer didn't get on my nerves, because I always found the guitar work in this song awesome when I heard it on the 9 trailer.

Run-D.M.C. vs. Jason Nevins - *It's Like That (Drop The Break (Radio Edit))*

“ CVT Temp [wrote](#):

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has

already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Killer Mike - Untitled (ft. Scar)

*Dear Lord, have mercy
On the ones that go through life like it's a game
Dear Lord
I won't be forced to shut up when I don't feel the same
Cause people gonna lie
Some people gonna steal
You gotta be careful not to shit where you live
Them people might try to have you killed
Lord have mercy, life is such a battlefield
For real*
