Georgia. The US State. Not the former-Soviet Republic.

The Great Air Domain: Uncle Sam's loving bully since July of 1947

Remember that flying saucer with strange lights you saw hovering over the sky?
Of course you don't. That never happened. And if it did, it was Venus.

Random guess time!

Okay, so I'm going to say **England**... And if I wanted to be more specific,
between London (Including) and Leeds

As I said, random...

Once again, my sig. mentions my nationality... It is up to you to guess where
in the United Kingdom I am
Good luck :)

The Princessdom of Hyrule. A fanfiction based on the Legend of Zelda :: Twilight Princess that takes place half a decade after the conclusion of the game. A new caste of Hyruleans, no less the newly built army resent the old Guard and Princess-Sovereign Zelda for the surrender of the realm to the Twilight and the weakness of Hyrule from invasion...

Meanwhile, the Zora worry greatly about the militarization of Hyrule, and the Goron less so due to the Economic stranglehold of the Rupee of which they have as leverage.

Never again shall Hyrule fall, and never again shall we sully the name of Hylia under our weakness!

Damn dude, never knew Denmark was in the United Kingdom!
Is a Neo-British Empire being created without me even knowing?

For you, uhm... You seem like you could be European.
I'll either say... France or Germany?

And if you're American instead, I should commit seppuku for not guessing the obvious LMFAO

The person who designed and wrote that factbooks is too organized and intelligent to be american or english, but at the same time the English speaking level is high, so I'm gonna say Denmark.

South Canada

Lescaaris, a progressive democratic-diarchic merchant republic in the near-future "post-post-apocalyptic" America, where society is rebuilt and new nation-states have been created while the United States government is nowhere to be found (I doubt the setting is really important and relevant though). Famous for European architecture, EDM, nightclubs, civil liberties, job opportunities, and trade fairs.

(To get a general theme-idea, Lescaarch culture is a combination of Dutch, Italian, Belgian, Monégasque, and French cultures.)
