Constitutional monarchy, except the monarch is a ceremonial figurehead at this point.

Instead of having one head of state/government, Gandoor has three.
At least for the leaders of the executive branch.

A republic of some sorts, the flag looks like a fruit so maybe something related to socialism?

A Pacific nation or a MT liberalwank nation whose main premise is composed on a melting pot of cultures and ethnicities

Semi-constitutional monarchy (there is a constitution that limits the monarch's power somewhat, but they are still the official head of government, there isn't a separate Prime Minister/Premier/[insert alt. term here])
