"J+M" Cos even the Messiah needs romance.

No they don't lol they could easily be aroace like me. And the way this is worded makes it seem like everyone requires romance, which they very much don't. You simply need to... Not have that?

TL;DR be considerate of aroace people when writing stuff like this.

Ninja'd, but my point still stands.

Turkish baklava does not exist.

What even is the difference between a Greek and Turkish baklava?
