Yes, I used to be a very immature person. That was years ago. I'm trying to be better now.

Good on you. Self-reflection and improvement are some of the hardest things for people to do.

***The Dominion of Upper Nan: a technologically-advanced technocratic, national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.***

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extent) António de Oliveira Salazar.

Whenever your feeling down, Remember:

Doctor Phil says,

'Shut the hell up, B\*\*\*\*. Go kill yourself, Go sit in the middle of a road and let a car run over you. Your ugly, Your Disgusting, I'mgonna kill you. Your an Alcoholic. Give me 300 Dollars.'

The Doctor has surely given me a great advice.
