Pardon moi, but I was in the process of quoting you! In the words if J.J. Binks:

NOTE: when I say "dibs, I'm reading AN's posts, checking factbooks, etc.", that means I'm in the process of doing it, and don't want to read a bajillion factbooks or posts and then type out a post only to find someone beat me to the punch. The "dibs" is very useful like that.
