Hard to be very well known when the nation in question is little over a month old.

Well I can't say I've had any encounters with them past this but given their population I'm sure their well known for something considering how long they've been on here

After a hiatus I'm finally back on this site, for now at least

Well they are a fairly new nation and I don't remember ever seeing them before so I'm going with mildly unknown.

Just your friendly space social theocracy of kobolds worshiping giant space dragons.

Are NS stats canon? **NO**

Class 0.5 nation according to this index.

I'm really glad to see all these new nations on here, many of those I used to know are gone. Just love seeing the new ones carrying the legacy my group of foundings had.

I haven't seen them before, but probably because we prefer different forums (Hantuonia is on International Incidents mostly while I tend to stay on Forum 7). I'd imagine that they're fairly well-known in II.
