I'm RPing a distant past tech nation populated nearly exclusively by three foot tall bipedal mice who are undergoing subtle speciation due to long lasting social policies.

If this is too ridiculous for you, you might want to opt out of RPing with me.

Huh, interesting song name after the Icelandic volcano. Long ass  
band name though. Usually it's the bands songs that are long. Songs  
not bad either.

Saxon Shore-This Place.

Listening to this again. Diggin' it.
