The **North Sea Realm**, colloquially known as **Northaria**, established in 1421 A.D. (current constitution: 2022).

A multiethnic Northern European nation with strong democratic traditions and an elective monarchy, now building socialism.

We use NS stats, with the exception of tax rates and the related stats. The Northarian population is roughly 88.5 million as of last census.

Member of the **Atlantic Defence Agreement** and the **Arctic Council**, current president of the **Western European Union**.

I reject anything and everything political that I posted on here prior to 2019.
