Not well known. You're set up to become well known though.

I haven't ever seen them and given that they aren't all that active, I'd say they aren't really known at all, at least not enough to be instantly recognisable as yet.

I'd say well known if you frequent F7.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.
