Considering you have not many posts outside f7, I'm gonna say not really, or somewhat.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Never saw them before, or I don't remember seeing them... So I guess they are not very well known, at least in F7.

The Crown Colony of East Plate

A British colony at the east of the Río de la Plata, struggling against the Gauchos of the north and the hegemony of the port of Buenos Aires
God Save Queen Victoria! - ¡Dios Salve a la Reina Victoria!

Though it is a wonder to marvel at those who came before, remember history one day will look back on you.

Founded barely 10 days ago, yet with a staggering 200 posts already which is a lot, I get the feeling this nation isn't known by too many on this account but is probably either a puppet of a more experienced/well-known nation or is just extremely excited by their new game NS. Either way, they're getting themselves well known for a new nation but haven't quite reached it yet.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our [Embassy Program](#)
