They are frequenters of F7. Not enough to be widely known, but in that middle area.

I am not doing that fancy post thing this time, I am currently talking to someone and I do not want to waste their time. It takes a long time to make those, y'know! ;)

Seen once or twice on F7, probably way more active on other forums, 7/10

Opressiani is gloriously issue free. *Always.*

Will I ever actually do anything outside F7? Probably not.  
Will I ever write a factbook? Sooner or later™. I have a whole headcanon, just too lazy to write it out... :P

My irl political opinion changes depending on who I'm trolling. None of you are safe. /j
