I remembered that the Royksopp song I knew before was Tricky Two. Listening to them more thoroughly now.

Not really digging this song that much. A little too straightforward dancy and not a fan of the vocals.

Still better than a lot of dance pop music.

Huh, violin ending

Pictures for an RP character. Funny she asks me for help with it...

Also, Kamelot is her favorite band, and that is one of her favorite songs.

More singing I'm not hugely fond of....but still better.

[Royksopp-This Must Be It](#)

More singing....This albums definitely more dancy.

Edit: Plus side is this is the Fever Ray singer.

[Girl on Fire - The Takedown](#)

This sounds like a hybrid of Sum 41 and Linkin Park, but in a good way.
