I'm listening to 'Call Me Maybe' by 'Carly' someone . No reason except that its just the most popular song on iTunes right now. Also, it *is* kinda catchy . ☐

I'm not trying to be an ass or anything....but you are listening to a song just because it's popular? That's just like listening to music that's not popular just because it's not popular. You should listen to what you like, not listen to something just because it's popular. And, in my opinion, 'catchy' isn't exactly always a good thing. Some of the most annoying, horrible songs for me are catchy ones. But I like some catchy songs as well. Mostly I just like 'music' that's not technically catchy, but it's good.

Also, I listened to that song you mentioned (I kept seeing it and never heard of it before). My opinion is kinda meh on it, but I've heard a lot more annoying and worse in the pop music regard, so I give it that. But musically it's pretty bland in my opinion. Though, again, it's still better than a lot of generic pop music beats, so yeah.

Beirut-Santa Fe.
