Feels like forever since I've listened to that song, I love it.

Anyway, I'm listening too: Queen - I Want To Break Free

Just finished listening to 'The Lexicon Of Love', a brilliant 1984 album by British new-wave band ABC. Faaantastic.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
