First time posting in this thread.

Honestly, lately, I've been listening to a band that started here in New Orleans. They are sort of like Southern Rock. Not sure how many people have heard about them, but, to quite them at some of their Concerts...

"The name of the band is....COWBOY MOUTH!"

From hip-hop switched to alternative rock. Guano apes are awesome. "Open your eyes", "Living in a lie" are masterpieces! Highly recommend to have a listen to them!

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
