Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

I first heard Si Señor and this while playing Crackdown (the first one) on Xbox 360. I love both songs.

### The Beatles - Lady Madonna

I'm feeling strange about this line "Lady Madonna lying on her bed..." which I initially thought to be "Lady Madonna dying on her bed...". If I think that the right word is "lying" while listening to the song, then I'm going to hear "Lady Madonna lying her on her bed...". If I think - if I make my brain assume - that the right word is "dying", then I hear "Lady Madonna dying on her bed...".
